

2015 PARTNERS PROGRAM

We're excited to announce the launch of our 2015 **LA/SGV Partners Program**. Although you'll recognize many similarities, we have made some exciting additions. New this year, we have incorporated award sponsorship opportunities into this program that bundles the cost of participating in a host of Chapter special events and offers a one-time prepay option for those events. This progressive approach allows you to participate in, and sponsor, our host of 2015 programs with one payment! Please keep in mind that the level of participation you choose to invest will reciprocate itself in the level of enjoyment and benefit you receive from actively supporting your local Chapter.
